FOR IMMEDIATE RELEASE

GOLDSBORO, N.C. – Geographic Technologies Group® (GTG®) would like to announce that the **City of Punta Gorda, Florida** has selected GTG to provide GIS applications training and a GIS server migration. GTG contracted with the **City of Massillon, Ohio** to provide GeoBlade Crimes software. GTG has also secured a contract with the **City of Pearland, Texas** to provide a GIS server migration. **Indian River County, Florida** has secured an extended services contract with GTG to provide onsite GIS services and software. The **Town of Palm Bay, Florida** has selected GTG to provide a GIS server migration.

GTG was selected for software contracts including: The City of Portland, Maine - (2) additional workstations of LGdispatch Community Connect, (5) workstations of LGfires, and (5) additional workstations of LGcrimes. **York County Natural Gas, South Carolina** - purchased LGviewer upgrade to Community Connect.

About Geographic Technologies Group, Inc.:

GTG is a full-service local government GIS consulting company offering specialized experience in the planning, design, implementation, and procurement of geo-technologies. GTG has unmatched technical GIS capabilities, demonstrated successes, international experience, and a reputation for successfully implementing the right solutions. GTG develops GIS products that spatially enable various enterprise solutions and integrates an organization's IT investment via a common interface. GTG also offers stand alone products for land management, public safety, public access, touch screen technology, and utilities.

GTG has over 700 clients located throughout North America, the Caribbean, and Europe and serves all levels of government as well as the private sector. To support our clients, GTG maintains four offices located across the United States: Headquarters in North Carolina, and Regional Offices in Texas, Missouri, and Florida.

Additional information may be obtained by contacting Geographic Technologies Group, Inc. at 888-757-4222 or you can access our Website at www.geotg.com.
