**FOR IMMEDIATE RELEASE**

**GOLDSBORO, N.C. – Geographic Technologies Group® (GTG®)** was selected for multiple software contracts including: **City of Palm Bay, Florida**—upgrading their LG Geo Blade Viewer, LG Geo Blade Crimes, LG Geo Blade Dispatch, and LG Geo Blade Web applications to the ArcGIS Server environment. They also purchased LGnotify. **City of Fort Pierce, Florida**—upgrading to LG Geo Blade Viewer and purchased LGaddress for Land Management. **City of Bossier, Louisiana**—upgrading from LGdispatch to LGdispatch Community Connect.

**The City of Cocoa, Florida** selected GTG to develop a GIS Needs Assessment and Strategic Implementation Plan.

**The City of Unalaska, Alaska** selected GTG to develop a GIS Needs Assessment and Strategic Implementation Plan.

GTG has added two regional offices in Illinois and Florida. These offices have been added to better serve our clients in those regions. Details are available at <http://www.geotg.com/officeloc.html>.

**About Geographic Technologies Group, Inc. (GTG):**

GTG is a full-service local government GIS consulting company offering specialized experience in the planning, design, implementation, and procurement of geo-technologies. GTG has unmatched technical GIS capabilities, demonstrated successes, international experience, and a reputation for successfully implementing the right solutions. GTG develops GIS products that spatially enable various enterprise solutions and integrates an organization's IT investment via a common interface. GTG also offers stand alone products for land management, public safety, public access, touch screen technology, and utilities.

GTG has over 700 clients located throughout North America and Europe and serves all levels of government as well as the private sector. To support our clients, GTG maintains four offices located across the United States: Headquarters in North Carolina, and Regional Offices in Texas, Florida, and Illinois.

Additional information may be obtained by contacting Geographic Technologies Group, Inc. at 888-757-4222, or you can access our website at [www.geotg.com](http://www.geotg.com).
