FOR IMMEDIATE RELEASE

GOLDSBORO, N.C. – Geographic Technologies Group® (GTG®) would like to announce that the following municipalities and local governments have selected GTG® for products and services. The **City of Suffolk, VA** has retained GTG® for GIS Training. The **Town of Greenwich, CT** has also retained GTG® for the purposes of GIS Training. The **City of Pearland, TX** has selected GTG® to update their Implementation Plan.

GTG® was selected for software contracts including: Greenville County, S - (1) Upgraded from LGdispatch to Community Connect. City of Alamogorda, New Mexico – (5) LGviewer, (1) LGaddress for Public Administration.

GTG® is pleased to announce that **Jennifer Rouse** has joined our team as a GIS Specialist. In addition **Bill Craft** was appointed as a Solutions Provider, **Jessica Kley** became our new Marketing Technician, and **Chris Wray** will join our Software Specialist Team.

GTG® introduced a new version of GeoBlade (4.0), an Intranet/ Internet Software solution. GeoBlade 4.0 offers layer grouping, hot linking, and search by latitude and longitude for the Intranet and configurable interfaces and customizable field names for the Internet.

About Geographic Technologies Group, Inc. ® (GTG®):

GTG® is a full-service local government GIS consulting company offering specialized experience in the planning, design, implementation, and procurement of geo-technologies. GTG® has unmatched technical GIS capabilities, demonstrated successes, international experience, and a reputation for successfully implementing the right solutions. GTG® develops GIS products that spatially enable various enterprise solutions and integrates an organization's IT investment via a common interface. GTG® also offers stand alone products for land management, public safety, public access, touch screen technology, and utilities.

GTG® has over 700 clients located throughout North America, the Caribbean, and Europe and serves all levels of government as well as the private sector. To support our clients, GTG® maintains three offices located across the United States: Headquarters in North Carolina, and Regional Offices in Texas, and Oregon.

Additional information may be obtained by contacting Geographic Technologies Group, Inc.® at 888-757-4222 or you can access our Website at www.geotg.com.
