Geographic Technologies Group Enhances After-Hours Technical Support

GOLDSBORO, N.C. – Geographic Technologies Group, Inc. (GTG) is pleased to announce its enhanced after-hours technical support services for GTG software!

In an effort to better serve clients, GTG has created a new GTG Emergency Technical Support Team and after-hours notification process to assist clients requiring immediate after-hours technical assistance. The GTG Emergency Technical Support Team includes software specialists, software developers, GIS specialists and key management.

“Client satisfaction is always the number one priority at GTG,” said Curt Hinton, CEO of GTG. “We believe that our enhanced after-hours technical support services will improve our clients’ experience while receiving top-of-the-line service from our GIS software experts.”

Calling GTG’s after-hours technical support line is easy! Simply call GTG’s toll free number, 888-757-4222. Select the prompt for emergency after-hours technical support. Leave your contact information in the specialized voicemail box. Our Emergency Technical Support Team will be notified immediately, and a member of the team will contact you within minutes!

For more information on GTG’s technical support services, visit www.geotg.com/support.html.

About Geographic Technologies Group, Inc.:

GTG is a full-service local government GIS consulting company offering specialized experience in the planning, design, implementation, and procurement of geo-technologies. GTG has unmatched technical GIS capabilities, demonstrated successes, international experience, and a reputation for successfully implementing the right solutions. GTG develops GIS products that spatially enable various enterprise solutions and integrates an organization's IT investment via a common interface. GTG also offers stand alone products for land management, public safety, public access, touch screen technology, and utilities.

GTG has more than 700 clients located throughout North America, the Caribbean, and Europe and serves all levels of government as well as the private sector. To support our clients, GTG maintains four offices located across the United States: Headquarters in North Carolina, and Regional Offices in Texas and Florida.

Additional information may be obtained by contacting Geographic Technologies Group, Inc. at 888-757-4222 or you can access our website at www.geotg.com.
