## Geographic Technologies Group Announces New Midwest Office Opening

**GOLDSBORO, N.C.**— Geographic Technologies Group® (GTG®), a leading provider of professional GIS services and software for local government, announced today the addition of Matt Tapp as the new Midwest GIS Solutions Manager in GTG's new **Kansas City, Missouri** office.

Mr. Tapp brings a wealth of GIS and Information Technology consulting experience to GTG, including seven years of local government and GIS work experience. "With the creation of the new Kansas City office, GTG is poised to make a very strong commitment to the Midwest. Centrally located, the office will be within a close distance to the entire region" said Matt Tapp, GIS Solutions Manager of the new Kansas City office.

Curt Hinton, CEO of GTG stated: "We are excited about the expansion to the Kansas City area. This new office is centrally located and will allow us to continue to be a resource for our customer base. Mr. Tapp comes highly recommended and will be a great asset to GTG."

The new office is located in the Westowne Office Park, in the Northland region of the Kansas City metro area, off of I-35 along Highway 152 in Liberty, Missouri. Mr. Tapp can be reached via his mobile (816) 516.5171 or email [mtapp@geotg.com](mailto:mtapp@geotg.com).

### **About Geographic Technologies Group, Inc. (GTG):**

*GTG is a full-service local government GIS consulting company offering specialized experience in the planning, design, implementation, and procurement of geo-technologies. GTG has unmatched technical GIS capabilities, demonstrated successes, international experience, and a reputation for successfully implementing the right solutions. GTG develops GIS products that spatially enable various enterprise solutions and integrates an organization's IT investment via a common interface. GTG also offers stand alone products for land management, public safety, public access, touch screen technology, and utilities.*

*GTG has over 700 clients located throughout North America and Europe and serves all levels of government as well as the private sector. To support our clients, GTG maintains six offices located across the United States: Headquarters in North Carolina, and Regional Offices in Texas, Florida, Illinois, Missouri, and Pennsylvania.*

*Additional information may be obtained by contacting Geographic Technologies Group, Inc. at 888.757.4222 or you can access our website at [www.geotg.com](http://www.geotg.com).*
