FOR IMMEDIATE RELEASE

GOLDSBORO, N.C. – Geographic Technologies Group® (GTG®) would like to announce that the **City of West Sacramento, California** has chosen GTG to perform a software needs analysis and an update to their GIS Implementation Plan, that GTG had prepared for the City in 2004.

GTG was selected for software contracts including: The Village of Oaklawn, Illinois- (10) licenses of LG Dispatch Community Connect. **The City of Columbia, Missouri –** (10) licenses of LG Viewer. **The City of Opelika, Alabama-** (3) LG Dispatch upgrades to Community Connect, (50) LG Mobile upgrades to Community Connect.

About Geographic Technologies Group, Inc.:

GTG is a full-service local government GIS consulting company offering specialized experience in the planning, design, implementation, and procurement of geo-technologies. GTG has unmatched technical GIS capabilities, demonstrated successes, international experience, and a reputation for successfully implementing the right solutions. GTG develops GIS products that spatially enable various enterprise solutions and integrates an organization's IT investment via a common interface. GTG also offers stand alone products for land management, public safety, public access, touch screen technology, and utilities.

GTG has over 700 clients located throughout North America, the Caribbean, and Europe and serves all levels of government as well as the private sector. To support our clients, GTG maintains four offices located across the United States: Headquarters in North Carolina, and Regional Offices in Texas, Missouri, and Florida.

Additional information may be obtained by contacting Geographic Technologies Group, Inc. at 888-757-4222 or you can access our Website at www.geotg.com.
