FOR IMMEDIATE RELEASE

GOLDSBORO, N.C. – Geographic Technologies Group (GTG) would like to announce that the following municipalities and local governments have selected GTG for products and services. **Indian River County, Florida** has selected GTG to complete a master address data layer and street centerline clean up in conjunction with a year one implementation of their GIS master plan. **Campbell County, Wyoming** has selected GTG to develop a custom field application for their mobile nurse's corp.

GTG was selected for multiple software contracts including: McHenry County – (50) LGcrimes and (1) LGaddress for Public Safety; City of Port Angeles, Washington – (5) LGviewer, (1) LGaddress, (1) LGviewer Work Request Module, and (1) LGcommunity maintenance module; City of Kingsport, Tennessee – (3) LGfires; Ouachita Parish, Louisiana – (3) LGdispatch; City of Opelika, Alabama – (5) Additional Licenses of LGviewer; City of Folsom, California – (5) LGdispatch; City of Danville, Virginia – (2) Additional Licenses of LGcrimes; City of Alamogordo, New Mexico – (4) LGdispatch, (5) LGcrimes, and (1) LGaddress for Public Safety; Indian River County, Florida – GeoBlade Intranet, (1) Geomanager; Spotsylvania County, Virginia – (1) GeoBlade Web and (20) GeoBlade Intranet; and the City of Marietta, Georgia Board of Light and Water – (25) GeoBlade Viewer for GBA Master Series.

About Geographic Technologies Group, Inc. (GTG):

GTG is a full-service local government GIS consulting company offering specialized experience in the planning, design, implementation, and procurement of geo-technologies. GTG has unmatched technical GIS capabilities, demonstrated successes, international experience, and a reputation for successfully implementing the right solutions. GTG develops GIS products that spatially enable various enterprise solutions and integrates an organization's IT investment via a common interface. GTG also offers stand alone products for land management, public safety, public access, touch screen technology, and utilities.

GTG has over 700 clients located throughout North America, the Caribbean, and Europe and serves all levels of government as well as the private sector. To support our clients, GTG maintains six offices located across the United States: Headquarters in North Carolina, and Regional Offices in Texas, Florida, Illinois, Oregon, and Pennsylvania.
